How to Read the Fee Schedule:

Read across the spreadsheet and add the fees listed to obtain your total. Some permits have multiple fee types associated with them. Be sure to read all the way across the spreadsheet. For example:

 Permit/Fee Type
 Application Fee
 Permit Fee
 Total

 New Primary Structure-SFR-Platted
 \$32
 \$156
 \$188

*Note, projects with fees that have variable calculations may want to be verified with the Department of Code Enforcement. This schedule may not include all required permits, licenses or fees for your project. Please contact the Department of Code Enforcement at 317-327-8700 for more information regarding all applicable permits, licenses and fees for your project.

Application Fee: A non-refundable application fee of Thirty-Two dollars (\$32.00) shall be paid for services rendered regardless of the issuance of a permit. (Section 131-501)

Plan Review: A non-refundable review fee will be due upon submission of an application for services rendered in the review of plans, regardless of whether a permit is ultimately issued.

Fees will be determined by classification and size of structure. (Section 131-501)
